Washington Asset Building Coalition – 2025 Leadership Summit

Asset Building Coalitions (ABCs) are local partnerships between banks, credit unions, government, and community organizations focused on promoting financial wellbeing in their communities. With coalitions serving 17 counties plus Native communities across Washington, ABCs reach hundreds of partner organizations, who in turn reach thousands of Washingtonians every year. Learn more about asset building coalitions here: www.fenwa.org/wabc

The Washington ABC Leadership Summit will bring together coalition leaders from across the state, focused on supporting communities furthest from opportunity and increasing the financial wellbeing of all Washingtonians. This year's focus will be promoting financial wellness in uncertain times, as we explore the future of asset building coalitions together.

Your sponsorship allows us to ensure that all ABC leaders can attend and fully participate in this important gathering. Thank you for your support!
