MISSION & VISION

Our mission is to advance financial empowerment through partnerships that support access to affordable, effective, and relevant services, products, and other resources.

We envision communities where low- and moderate-income individuals and families can achieve financial well-being.

INITIATIVES

Financial Empowerment Integration:

- Professional development financial education workshops
- WA Financial Coaching Network convenings
- Training and technical assistance to providers
- Access to on-demand resources and tools via our website

Bank On Washington:

- Connecting un- and under-banked individuals and communities to safe, affordable and accessible financial services
- Encouraging financial institutions to obtain Bank On certification
- Fostering connections between nonprofit and financial institution partners
- Networking and training events, including our annual Bank On Washington forum
- Supporting the work of local Bank On coalitions across the state
- Youth-led Bank On Seattle/King County initiative

Asset Building Coalitions:

- WA Asset Building Coalition leadership and support for local community coalitions across the state
- Participation in asset-building related legislative education, outreach, and advocacy
- Homeownership and foreclosure prevention workgroup and resources to avoid foreclosure
- Resources and outreach promoting Working Families Tax Credit, Earned Income Tax Credit, and free tax preparation services
