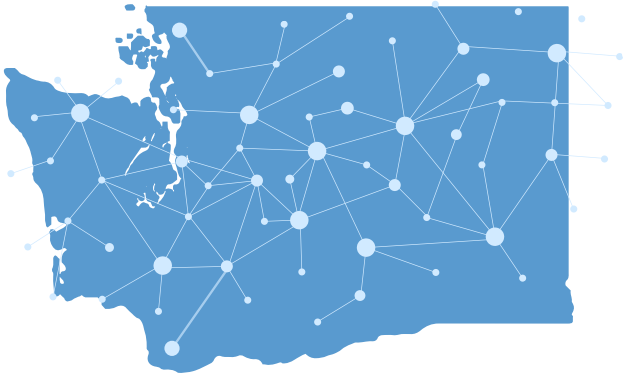
FINANCIAL EMPOWERMENT NETWORK

Scan for FEN updates!

MISSION & VISION

FEN **connects and equips** advocates and providers to **advance financial thriving** across Washington.

Together, we are creating a Washington where **financial justice is fully practiced** and communities have the **power, resources, and relationships** needed to build generational pathways for financial thriving.



Financial Empowerment in Programs & Services:

- Workshops for professional development in financial health and education
- WA Financial Coaching Network convenings
- Training and technical assistance for providers
- Access to on-demand resources and tools via our website
- Elevating and exchanging relevant information and resources through email & social media

Building and Preserving Generational Wealth

- WA Asset Building Coalition leadership and support for local community coalitions statewide
- Participation in asset-building related legislative education, outreach, and advocacy
- Homeownership and foreclosure prevention workgroup & resources
- Promotion of Working Families Tax Credit, Earned Income Tax Credit, free tax preparation services and other resources

Bank On Washington:

- Fostering connections among community-based organizations, financial institutions, and government entities
- Promoting access to safe, affordable, and equitable financial services
- Encouraging financial institutions to obtain Bank On certification
- Networking and training events, including the Bank On WA annual forum
- Facilitating access to financial services through integrations with government and community partners, such as our work to promote banking access and financial education to individuals incarcerated in WA
