## **2:20 – Coaching Session: Let's Talk About Credit!**

*Daniel Jean-Baptiste*

- Let's talk credit! This month, FEN is hosting a "Credit & Debt Demystified" workshop series, and June's session was all about Credit 101. We're keeping the conversation going here with a deeper dive into credit.  
What was your first experience with credit? How do you talk about it with the people you serve? We'll explore these questions and work through real-life scenarios to build our skills together. Join us for a thoughtful, practical discussion.

## **3:00 – Resource Share Out**
